Terms

Payment terms	Net 30 Days
Delivery	Estimated 2-Day standard delivery. FedEx is an Intuitive preferred courier. Standard Shipping Terms: FCA Intuitive warehouse (Incoterms 2010). All orders are subject to inventory availability. Advanced instrumentation will be delivered upon Customer's completion of the advanced instrument training verification. A $9.95 handling charge will be applied to customer-routed shipments. A customer-routed shipment is when the customer requests that their order be shipped on their own FedEx or UPS shipping account, and not on Intuitive's FedEx account. The handling charge supports the additional costs related to order fulfillment of customer-designated carrier shipments.
Price policy	Pricing subject to change without notice, applicable taxes, and via freight charges may apply.
Return goods policy	All returns are authorized through Intuitive Customer Service. Please call toll free at 800.876.1310 to obtain a Return Material Authorization number (RMA#). Upon issuance of the RMA#, Customer Service will send the Customer a PDF of the Prepaid RMA Return Shipping label along with an RMA notification email. The Customer must print the Prepaid RMA Return Shipping label, affix it to the package, and call for a FedEx pickup or drop off the defective return at a FedEx location. All returned items must be accompanied with a valid RMA# and are requested to be received within 14 days of issuance or the RMA could be subject to cancellation. Intuitive Surgical will prepay for the return of the defective instruments. **Defective returns** • Upon identification of a defective instrument, please call Intuitive Customer Service within 5 days. • Prior to returning to Intuitive, items must be cleaned and decontaminated in accordance with current local environmental safety laws and standards. **Excess returns** • Items are required to be in the original packaging with no markings, seals intact, and to have been purchased within the last 12 months. • Package excess returned inventory in a separate shipping container to prevent damage to original product packaging.
Credit policy	Intuitive will issue credit against original purchase order after full inspection is complete. **Credit for defective returns** • Intuitive will issue credit on products based on failure analysis performed and individual warranty terms. • For instruments, credit will be issued for the remaining lives, plus one additional life to compensate for usage at the time the issue was identified. • Evidence of negligence, misuse and mishandling will not qualify for credit. **Credit for excess-inventory returns** • Excess-inventory returns will be valued at the invoice price. • Original packaging must be unmarked, undamaged and seals intact to qualify for credit. **Credit will be issued based on the following conditions** • Products that were shipped less than 12 months prior to return request. • If the original package is intact. • If the product is within expiration date. Intuitive will retain all returned product.
Warranty	**Warranties are applied for manufacturing defects** • Endoscope, camera, and simulator – 1 year warranty • Accessories – 90 day warranty • Instruments – see above for credit terms
	Any term or condition contained in your purchase order or similar forms which is different from, inconsistent with, or in addition to these terms shall be void and of no effect unless agreed to in writing and signed by your authorized representative and an authorized representative of Intuitive.

Ordering and terms* (continued)

Use of simulator	Customer will ensure the proper use of the Simulator consistent with the Documentation, and Customer will ensure the proper management and supervision of the Simulator. Customer will not, nor will Customer permit any third party to, modify, disassemble, reverse engineer, alter, or misuse the Simulator. Prohibited actions include, but are not limited to: (1) adding or subtracting any Customer or third party equipment, hardware, firmware, or software to or from the Simulator, or (2) reconfiguring any of the Intuitive equipment, hardware, firmware, or software as originally provided to Customer as part of the Simulator without Intuitive's express written permission.
Data use	Customer agrees that Intuitive and its affiliates within the Intuitive Surgical group of companies (collectively, "Intuitive") may collect data relating to the use of Intuitive products ("Data"). In some instances Data may be communicated via data gathering or transmission technology to Intuitive. In other instances, Intuitive may request Customer and Customer agrees to provide Data to Intuitive. Such Data may be used for a variety of purposes, including, but not limited to (1) providing support and preventative maintenance of Intuitive products, (2) improving Intuitive products or services, (3) ensuring compliance with applicable laws and regulations, and (4) providing a general resource for Intuitive's research and business development. Intuitive does not intend to collect protected health information (PHI) as defined by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or analogous foreign patient privacy laws or regulations, as may be amended from time to time. In the event any Data communicated to Intuitive identifies an entity or individual, Intuitive will not share such Data with any third parties without the entity's or individual's consent, unless required by law or regulatory authorities.
Software license and restrictions	Software embedded within the Simulator is provided under license and is not sold to Customer. Subject to the terms and conditions of this Agreement,** Intuitive grants to Customer a non-exclusive, non-transferable, fully paid, restricted use license to use the Software solely as incorporated in the Simulator in machine-executable object code form and solely in connection with the operation of the Simulator as described in the Documentation. Customer must not use, copy, modify, or transfer the Software or any copy thereof, in whole or in part, except as expressly provided in this Agreement.** In addition, Customer must not reverse engineer, decompile, disassemble, attempt to derive the source code for, or otherwise manipulate the Software, except that manipulation of the Software is permitted if, and then only to the extent that, the foregoing prohibition on manipulation is required to be modified by applicable law. In that case, Customer must first request from Intuitive the information to be sought from the Software, and Intuitive may, in its discretion, provide information to Customer under good faith restrictions and impose reasonable conditions on use of the Software. The structure and organization of the Software are valuable trade secrets of Intuitive and Customer will protect the Software as Intuitive's Proprietary Information. Intuitive reserves all rights to the Software not expressly granted to Customer.
Networking requirements	Purchased equipment may require a network connection in order to achieve full functionality. Customer acknowledges that when Simulator is in use, Customer is responsible for maintaining an active network connection to Intuitive Simulator infrastructure as specified in the Simulator's network requirements, for the purpose of supporting all subscriptions services such as, latest simulation updates, OS patches, anti-virus updates, data backup and user account management capabilities. Customer is responsible for the security of the Simulator and the security of the internal network to which the Simulator is configured. Intuitive reserves the right to change, add, or remove functionalities or features at any time.
Information security	Customer is responsible for maintaining the confidentiality of its username(s), password(s), account(s), as well as all activities that occur under that account(s) and both the physical and cyber-security of the Simulator.
	*Ordering terms and conditions are subject to revision.
	**Terms are for purchase of the SimNow Simulator as described in the SimNow Agreement.
